Re: Surety for the Radium King
East and West Channels Mines
ACT/037/007
San Juan County, Utah

Dear Mr. Clark;

Enclosed is the surety estimate for the above described mine. The amount was approved by the Board of Oil, Gas, and Mining during the executive session on December 15, 1976. Please review this estimate and let us know if it is not within the range which you expect or if you see any errors in said estimate.

As you know, the approved Mining and Reclamation Plan is now being published and the 30 day period following publication is up on approximately January 17, 1977.

Very truly yours,
DIVISION OF OIL, GAS, AND MINING
